of the parties issues were framed at Exb. 7 and thereafter the case was fixed for the evidence of the union. Before the evidence was recorded the union filed an application dated 10-9-98 for interim relief. The said application was objected to by the employer by filing the reply dated 6-10-98 at Exb. 14. At the time when the case was pending for deciding the application for interim relief filed by the union, an application dated 6-9-2000 was filed by the union at Exb. 16 stating that during the pendency of the present case, the employer has entered into a settlement dated 7-6-95 and 5-5-98 and that the union does not have any objection if the benefits of the said settlement are extended to the workmen represented by them as relief in the present case. The union stated that the application for interim relief filed by them will not be pressed if award is passed extending the benefits of the said settlements to the workmen represented by the said union. In the said application the union prayed that an award be passed extending the benefits of the settlement dated 7-6-95 for the period 1-7-94 to 30-6-97 and the settlement dated 5-5-98 for the period 1-7-97 to 30-6-2000, to the workmen represented by the union. The union also produced the copies of the said settlements. Adv. Shri P. J. Kamat, representing the employer stated that he has no objection for passing of the award as prayed for by the union in the application dated 6-9-2000 and he made an endorsement to that effect on the said application.

Since the union themselves have prayed for extending the benefits of the settlements dated 7-6-95 and 5-5-98 to the workmen represented by them and have prayed for an award in that respect and the employer has given no objection for passing such an award, I allow the application dated 6-9-2000 Exb. 16 filed by the union and pass the following order.

Order
